

Seeking & Sacrificing

This lectionary is designed to be used over a seven-day period during these twelve days leading up to Epiphany. No dates are included, however, so that you can follow a pattern suitable for you.

Each day a Psalm is listed. Then, under the heading, you'll see:

1. two sentences with specific words (suggested by the Psalm) highlighted: In the first sentence is a title (in all caps) for the Master Teacher, and in the second, a way for us to respond to Him (underlined). Try spending time each day dwelling in the Psalm and on the words as you **seek wisdom**.
2. space for you to write a thank you note to the Master Teacher based on your dwelling, a **sacrifice of thanksgiving** to lay at the feet of the King.

May the eyes of your heart be enlightened!
